

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

The recaptured funds were due to salary/benefits being less than budget.

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

**1. Provide a description that addresses the entire scope of the proposed project.**

Mental Health Resource Center's QUEST Homeless Outreach Program has been providing supportive services to homeless individuals since April 1997.

The primary services offered are designed to assist individuals in seeking, obtaining, and maintaining housing. Intake Specialists provide all necessary services to ensure individuals' needs are met.

Quest provides Coordinated Intake services to Clay, Duval, and Nassau Counties. Quest Intake Specialists assess individuals using the Vi-SPDAT(Vulnerability Index-Service Prioritization Decision Assistance Tool) and use results to connect individuals with appropriate housing interventions. Intake specialists complete assessments at MHRC's Homeless Service Center, hot-spot locations throughout the three county areas, and on the streets during street outreach. Quest staff also assist clients with obtaining documentation needed to qualify for housing programs. Quest staff maintain one community-wide housing waiting list and refer individuals as housing openings become available. By implementing this process, Northeast Florida is able to better prioritize resources to target those who are most in need of services.

Quest staff also assist individuals with applying for entitlement benefits and identifying other services to address their needs.

All client information and assessments collected will be entered into HMIS. HMIS will be used to coordinate available services.

MHRC's Homeless Service Center is located in downtown Jacksonville and also functions as a Drop In Center. Individuals use the Service Center as their mailing address. Use of a phone, bathroom, and free notary services are also available. These are invaluable services for individuals seeking permanent housing, employment, and assistance needed with entitlement benefits. Most downtown shelters require individuals to vacate the shelters during the day. The Service Center allows individuals in the downtown area a safe, secure setting during the daytime hours. MHRC's Homeless Service Center is used to engage individuals who may be resistant to traditional services.

QUEST staff also conduct street outreach. Individuals living on the streets are provided with basic services in an effort to build relationships and encourage involvement in housing services. QUEST staff respond to calls for assistance

from local businesses and individuals.

The Quest program is co-located with MHRC's LINK services. LINK serves chronically homeless individuals experiencing severe mental illness/substance abuse disorders.

An advanced Registered Nurse Practitioner provides psychiatric evaluations and medication management services to individuals referred from the QUEST outreach program.

**4. Please select the type of SSO Project:** Coordinated Entry

**4a. Will the coordinated entry process funded in part by this grant cover the CoC's entire geographic area?** Yes

**4b. Will the coordinated entry process funded in part by this grant be easily accessible?** Yes

**4c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.**

Coordinated entry is advertised at multiple community meetings in an effort to ensure that all those who are providing services to individuals who are in need of housing are aware of the coordinated entry process.

Coordinated entry services are advertised on the local CoC lead agency's website for those who have access to the internet.

Coordinated entry staff also perform outreach throughout the area at locations that are often frequented by individuals who are homeless. Places such as local crisis stabilization units, jail, emergency rooms, food service lines, drop in center, and the streets in an effort to reach those with the highest barriers to accessing assistance. Items with Coordinated Intake's contact information are distributed during outreach.

**4d. Does the coordinated entry process use a comprehensive, standardized assessment process?** Yes

**4e. Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services.**

Individuals are assessed at coordinated entry using a housing/service assessment tool. Using results from the assessment and program criteria, individuals are prioritized on one central list based on need and referred to appropriate housing and/or services as they become available.

**4f. If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth?** Yes
